Hall presented correspondence:

1. Sawyer County Zoning approved the conditional use permit for Michael Neibert.
2. Hall submitted the annual recycling grant application to the DNR. The Town is eligible for \$8,000.00.

Hall presented the variance application for the Town of Bass Lake/Sawyer County Highway Department. The application is for the construction of an 11' x 8' vault privy. The proposed structure would be located in the Right-Of-Way of County Hwy E. The proposed structure would be 23' from the centerline of County Hwy E and 2' from a property line. This would be the only structure at this proposed new boat ramp. Phil Nies presented the application for Spring Lake boat landing. Nies explained that the boat ramp was improved in 2002/2003. At that time, the County and the Town could not figure out who the landing belonged to and applied for a grant jointly. The current project extends parking, replaces the dock and repairs the ramp. The project also included the installation of a privy within the right of way. Sawyer County requested a variance for the privy. The proposed location of the privy is the safest place for it to be and was approved by the Sawyer County Highway Department. has approved the location. The proposed location is actually in the Sawyer County's right of way. Nies reported that the Planning Committee approved and Nies will represent the County at the Board of Appeals. Motion by Meixner, seconded by Mrotek to approve the variance. Motion carried.

Planning Committee Chairman Mark Olson presented the request for the bike path project survey. Olson reported that the Planning Committee has received several inquiries over the past few years for the Town's plan for the old gravel pit. A bike path has been suggested and fall is a good time to have the property surveyed. The property has 200 acres and already has parking. Olson asked for the Board's wishes are. Hall would like to do a survey and mentioned that there are several trails in the Town of Hayward did. Olson replied that the Planning Committee would like to pursue options and then see what interest there is. Treasurer Kari Aderman suggested tabling the decision to check with Futurewood since they visited the property and are going to harvest the timber in the future.

Fire Chief Marvin Mullet presented the Fire Department Report. Mullet reported that there were no big incidents. Mullet gave the training update and reported that all members have been fit tested. Discussion followed. Aubart announced that a Building Committee meeting will be held in November.
